PinBall.AI

Product Description

PinBall.AI connects you to your AM/SQL database using the latest AI technology (Claude, ChatGPT). Ask your database anything, in plain English. Get answers on screen, Excel, graphical, email. Your queries may be simple ("who are my top 10 customers this year"), deep ("of my top 100 customers, which ones are speeding up or slowing down in their ordering"), very deep ("give me a McKinsey style management analysis of my sales operations").

When you subscribe to PinBall.AI, you get: Install, setup, training, and a starter library of queries. Ongoing you get tech support, coaching, and new free queries for your library. And you get access to rapidly-expanding new features from the world of Claude.
