REPAY

Realtime Electronic Payments

Integrated AP & AR Payment Solutions

Product Description

REPAY offers omni-channel B2B integrated payment solutions for AccountMate customers. Whether you are making B2B payments or collecting them, REPAY is your full-service payments provider. Offering an all-in-one payments solution that is trusted by thousands of clients daily to process AR payments, automate AP supplier payments, and reduce risk without changing your current accounting processes. Learn how easy integrated credit card processing can be for AccountMate.

Our AR payment solutions enable clients to benefit from multiple payment methods, Level 3 B2B rates, increased cash flow with online payment portal capabilities, and seamless integration to help customers save time. Our AP vendor payment solutions enable clients to take advantage of real-time payment updates by automating supplier and buyer payments, and eliminates the need for paper checks. With visibility into the entire AP process, you know the moment a payment is made and when one is collected. Combining AP and AR provides a single source for all reporting so you can spend less time managing and reconciling payments and more time growing your business.

ClickToPay is a simple and secure way to have invoices paid by your customers with one easy click. It is designed to add to a company's bottom line by adding convenience and ease to the invoice paying process. The online payment portal software, installation, setup, maintenance, training and support are absolutely free for customers processing with REPAY. The payment acceptance experience is simplified when accessing ClickToPay through AccountMate's "Create Invoice" feature in their accounts receivable module. Watch this demo!

REPAY is seamlessly integrated with multiple leading ERP, eCommerce, CRM, POS, and Mobile applications. If a prebuilt integration is not available, an API is available to develop a custom integration. Power up your payments to empower your business, and accelerate the AP and AR payment flow with Integrated B2B Payments from REPAY today! Learn more: www.repay.com/erp-integrations

Company Profile

REPAY provides integrated payment processing solutions to verticals that have specific transaction processing needs. REPAY's proprietary, integrated payment technology platform reduces the complexity of electronic payments for clients, while enhancing the overall experience for consumers and businesses.

Third party software included on this site has not been tested and is not endorsed by AccountMate Software. Technical support, warranties, and compatibility are the responsibility of the issuing company.
